

UPDATED BROADBAND SERVICEABLE LOCATION (BSL) MAP

THE FIRST STEP TO BROADBAND EXPANSION!

The American Samoa Broadband Coordination Office (BCORD) has released the updated and approved BSL Map, identifying 17 Proposed Funded Areas (PFAs) targeted for broadband investment under the BEAD (Broadband Equity, Access, and Deployment) Program.

The first step to accessing **BEAD Deployment Funding** is submitting a Deployment Pre-Qualification Application. This ensures that prospective applicants meet eligibility requirements and have the capacity to deploy broadband.
